

Special offer for CIGRE Session

Tesla Club introduced Tesla cars for the first time in Montenegro and is proud to be the only provider of Tesla rides in the whole region.

We offer wide range of Tesla services, among which are Limo service rides in whole country and short coastal city rides through our application **TeslaGoApp**.

Our drivers are professionals and we strive to offer the most comfortable and luxury transportation in Montenegro which is also cost effective with predetermined prices and estimations of each ride costs.

Try riding with our Tesla Model S cars and experience the future!
